

## **YVR Medevac King Air 350 – Captain**

City: **Vancouver**

Province: British Columbia

Country: Canada

Our dedicated group of skilled aviation professionals is seeking for IFR experienced, motivated, energetic, safety focused and challenge driven pilot, eager to succeed in dynamic, growing aviation company. Carson Air is known for excellence in service, safety, aircraft maintenance, flight operations and much more.

The pilots flying for Carson Air know their schedule in advance, providing a life-work balance while working in the flight industry. We take pride for offering our employees ongoing top training, great schedules, competitive compensation including comprehensive benefit package, and internal opportunity for advancement based on performance.

The Captain reports to the Base Manager and has overall responsibility for the safe, efficient and timely operations of the aircraft and the First Officer according to all prescribed regulations, customer requirements and company expectations.

### **REQUIRED CERTIFICATION, EDUCATION, EXPERIENCE or SKILLS**

- ATPL with multi IFR rating
- Minimum of 3000 hours on fixed wing aircraft, with 1000 hours as PIC
- Minimum of 1000 hours of multi engine flight time, with 500 hours as PIC
- Minimum of 100 hours on type, with 50 hours as PIC
- Minimum of 500 hours of mountain flying experience
- No Transport Canada violations or suspensions
- Aviation diploma preferred
- Up to date vaccinations against diphtheria, poliomyelitis, tetanus and hepatitis B preferred
- Demonstrated organizational skills and attention to detail
- Demonstrated computer skills and familiarity with Internet
- Good oral and written communication skills
- For internal candidates selection will be based on qualifications and merit based on previous job performance

Successful applicants will be required to sign a training bond unless they already have a current type rating for the King Air 350.

The above statements are intended to indicate the general nature and level of work performed by employees within this position. They are not designed to contain all duties, responsibilities, skills, and qualifications required of employees assigned to this job
