

YLW Medevac King Air 350 – First Officer

City: **KELOWNA**

Province: British Columbia

Country: Canada

Carson Air Ltd. is headquartered in the spectacular Okanagan valley of British Columbia, currently with operations in Kelowna, Calgary, and Vancouver. Living in one of the most beautiful spots in Canada, we see life a little differently. We are proud of our well-defined corporate growth strategy and we are always looking for new opportunities to expand our company.

While we're a growing aviation company excelling in service, safety, aircraft maintenance and flight operations, we also believe in enjoying the better things in life.

We believe we can achieve a work/life balance even in the airline industry! Our pilots know their shift patterns months in advance and are home most nights, so they can plan and enjoy life outside of the cockpit.

We're currently looking for another skilled aviation professional to join our team in Kelowna, BC as a King Air 350 First Officer.

Working on a 5 on/5 off schedule provides the opportunity to enjoy the unique lifestyle in the beautiful Okanagan area.

Do you have what it takes to be a pilot for Carson Air?

Here's what we're looking for:

- Commercial pilot license with multi IFR rating
- Minimum of 1000 hours of fixed wing flight time
- Minimum of 500 hours of multi engine flight time
- Minimum of 250 hours of Mountain flying experience
- IATRA exams written preferred
- No Transport Canada violations or suspensions
- King Air experience preferred
- Aviation diploma preferred
- Demonstrated organizational skills and attention to detail
- Demonstrated computer skills and familiarity with Internet
- Good oral and written communication skills

We also offer our employees ongoing training, competitive salaries (including benefits), interline travel with Pacific Coastal Airlines, the opportunity for advancement...and great schedules, in case you missed that!

If you think you have what it takes to work at Carson Air, please send your resume to careers@carsonair.com with **YLW King Air First Officer** in the subject line.

Successful applicants will be required to sign a training bond unless they already have a current type rating for the King Air 350.
