

## YLW Aircraft Maintenance Engineer

City: **Kelowna**

Province: British Columbia

Country: Canada

Carson Air Ltd. is a dynamic, growing aviation Company headquartered in Kelowna, BC with bases in Vancouver and Calgary. Focusing on safety, flight operations, flight school training and aircraft maintenance our Company has been known for providing **uninterrupted** essential services for more than 25 years.

We are actively looking for an experienced Aviation Professional who holds a current and valid Aircraft Maintenance Engineer license. The position is based in Kelowna, BC and is responsible for performing and certifying both heavy and line maintenance on company aircraft. Additionally, as a licenced AME, you will be required to be a role model and provide direction and leadership for apprentice engineers. Attention to detail and safety while carrying out your duties will be of the utmost importance.

### **REQUIRED CERTIFICATION;**

- Valid Transport Canada Aircraft Maintenance Engineer License M1 required. M1 & M2 together considered an asset.

### **PREFERRED TYPE EXPERIENCE;**

- B300 King Air, B1900, PT6 Engine, Cessna 172

### **PREFERRED SKILLS AND ABILITIES;**

- Understanding of the Canadian Aviation Regulations as it pertains to an AME
- Positive Attitude with strong work ethic
- Flexibility with work schedules
- Initiative to improve one's self and working environment
- Basic computer skills and familiarity with the Internet
- Good Communication with ability to give clear direction
- Good Understanding of the English Language with the ability to read, understand and follow instructions contained within Aircraft Manuals and Publications as it relates to Aircraft Maintenance

We offer a competitive compensation package inclusive of:

- Safe and welcoming work place environment
- Great work-life balanced
- Career growth opportunities
- Extended health and dental benefit plans
- RRSP
- Employee and Family Assistance Program
- Annual Performance Reviews

The lists above are intended to provide the candidate with a general overview of the nature of their role within the company. The lists do not contain all duties and responsibilities which will be required of the candidate.

Please ONLY submit your application to [careers@carsonair.com](mailto:careers@carsonair.com) before the *closing date, October 15<sup>th</sup>, 2021* with the subject **YLW- AME**. Short listed candidates for the position will be contacted directly. Carson Air is an equal opportunity employer.
